

The grand banquet!

Manu the wolf is very hungry. As soon as he catches sight of the ant feast, he sets out to eat all their supplies. Feeling bad, he makes up for it by bringing them a large amount of supplies. This mini-story teaches the importance of sharing and respect for others. Kids also train with logic and coding activities.

Subjects

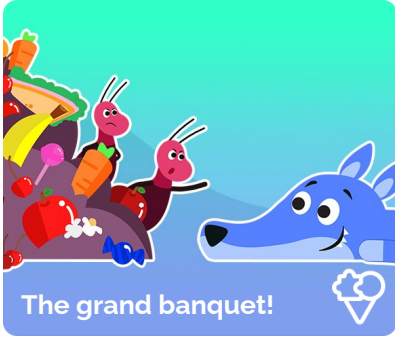

Engineering (Visual-spatial intelligence)
Technology
Art

Social skills introduced

Respect for others
Proper nutrition
Sharing

Further information

In kindergarten, teachers adopt educational and teaching practices aimed at the inclusion of all pupils. Teaching positive values such as respect for and openness to others helps children to grow up in harmony and prevent bullying.

Suggested
age

3-4 years

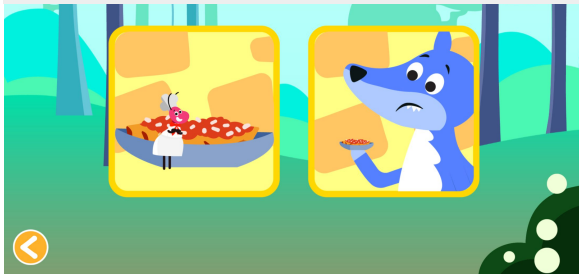

Difficulty
of game

Learning objectives

- Perception of dimensions (big-small)
- Ordering actions

Touch the plate of food that is too big

Drag the food from the store onto Manu

Drag the two pictures into the spaces in the diagram
