

Find Pip the pig!

Among the animals on the farm is Pip the friendly pig. One of his favorite pastimes is hiding. In the garden, behind the trees, at the lake... we don't know where he has gone. With this cheerful rhyming tale, children have fun and learn to recognize shapes and colors.

Further information

Even at preschool age kids are taught to recognize and name the primary colors and to become familiar with the different shapes. This last concept is the basis of geometry and beyond. Shapes and colors are also a way to bring children closer to art and creativity.

Suggested
age

3 years

Difficulty
of game

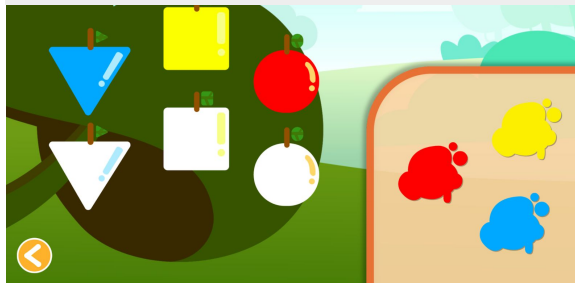

Learning objectives

- Simple shape recognition
- Primary color recognition

Look at the sign!
Touch the fruit or vegetable that has the
same shape
