

## Marie, sweet Marie

Marie the tiger is the master chef of the jungle. She has a real sweet tooth, so she is always busy making desserts and bread. Will she be able to bake a cake without her cookbook? The children will help her by completing the activities, remembering all the ingredients and counting correctly.

### Subjects

Mathematics

### Social skills introduced

Friendship  
Respect for others  
Preventing bullying

### Further information

Counting is one of the skills that can already be learned in kindergarten. Playful and didactic activities involving numbers and mathematical operations are useful for the development of numerical intelligence in children.
