

## Max the bad shark

Max the shark has fun teasing poor Mickey the octopus all the time: Max knots his tentacles, dirties him with ink, sticks him in a shell... But one day when Max is in trouble he finally understands that only by behaving well you can have friends.

### Subjects

Engineering (Logic)  
Art

### Social skills introduced

Acceptance and respect for others  
Bullying prevention  
Emotions

### Further information

It is important to educate kids to a positive and respectful attitude towards peers already in kindergarten. Instilling empathy from an early age, helping children to recognize their emotions, highlighting the strength of teamwork helps to counteract the onset of bullying in the future.

Suggested  
age

3-4 years

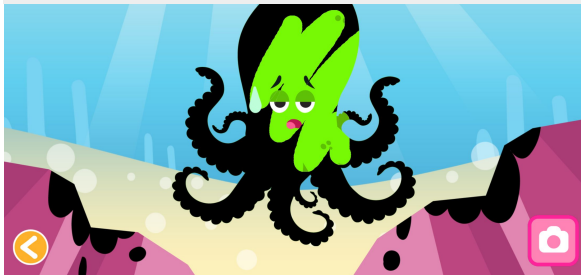

Difficulty  
of game

Learning objectives

- Logical comparisons
- Logical relationships between objects

Help Mickey clean up the ink
