

Lord Thomas looks for the monster

The gentle snake Thomas meets a strange creature in the jungle: it is the dinosaur Oscar, injured and in need of help. Thomas promptly helps him. This is a story that teaches us to be kind to everyone and to not judge a book by its cover.

Engineering

Social skills introduced

Kindness
Tolerance

Further information

Developing computational thinking means applying logic to everyday life. With coding exercises kids must perform a series of instructions in sequence to achieve a goal, thus learning to deal with complex problems by breaking them down into several parts. The coding exercises for children are introductory to computer programming.

Suggested age

3-4 years

Difficulty of game

★★★★

Learning objectives

- Problem solving
- Logical reasoning
