

Find Pip the pig!

Among the animals on the farm is Pip the friendly pig. One of his favorite pastimes is hiding. In the garden, behind the trees, at the lake... we don't know where he has gone. With this cheerful rhyming tale, children have fun and learn to recognize shapes and colors.

Reading comprehension questions

1. What do piglets eat?
2. How did Pip scratch his back?
3. Where did he go to drink some water?
4. What's Pip's "little problem"?!

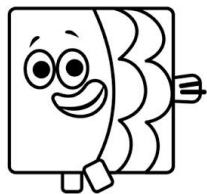

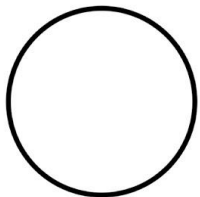

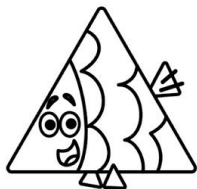

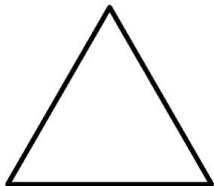

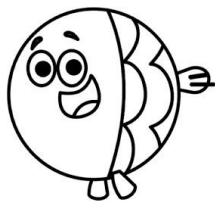

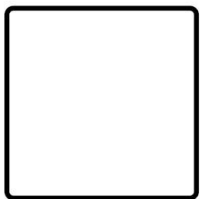

Ideas for activities

- Find and collect objects of the same shape (square, circle, rectangle).
- Find all objects of the same color.

FISH WITH CRAZY SHAPES!

Connect each fish to its den

WHAT STRANGE APPLES!

Color only the apples in the shape of a circle, triangle or square
