**Difficulty
of game**

Learning objectives

- Logic relationships between objects

**Suggested
age**

3-4 years

**Difficulty
of game**

Learning objectives

- Simple shape recognition
- Color recognition

What shape are Pip the Pig's eyes?

Colour the pig and the tree.

Fill in each shape with the right colour.

**Suggested
age**

3-4 years

**Difficulty
of game**

Learning objectives

- Simple shape recognition
- Color recognition

Colour the white shape

Colour the white shapes.

Which shapes are in the picture?

**Suggested
age**

3-4 years

**Difficulty
of game**

Learning objectives

- Perception of dimensions (tall-short, long-short, big-small)

Who's shorter/taller between the sheep and the horse?

Which animal has the shorter/longer legs?

Which pig has the smaller/bigger belly?

**Suggested
age**

3-4 years

**Difficulty
of game**

Learning objectives

- Logical relationships between objects (jigsaws, stickers)

Put each shape in the right place.

Move the rabbit and his food onto their shadows.

Solve the puzzle

**Suggested
age**

4-5 years

**Difficulty
of game**

Learning objectives

- Visual memory

Suggested
age

4-5 years

Difficulty
of game

Learning objectives

- Counting

Let's count to 3!

How many sheep are in the flock?

How many black sheep are in the flock?

Suggested
age

4-5 years

Difficulty
of game

Learning objectives

- Counting

How many chicks do you see?

Put only 3/4/5 chicks inside the fence.

Claire laid 10 eggs. Put 4 eggs in the red basket and 6 eggs in the orange one.

**Suggested
age**

3-4 years

**Difficulty
of game**

Learning objectives

- Fine hand motor skills

Curiosità

Did you know that every tiger has their own unique stripe pattern?

**Suggested
age**

3-4 years

**Difficulty
of game**

Learning objectives

- Logic relationships between objects

**Drag the ants to the correct places so
they can move the big object**

Curiosità

Ants can carry 50 times their own weight, and they work together in groups to move even bigger things.

Suggested age

3-4 years

Difficulty of game

Learning objectives

- Logical reasoning
- Perception of dimensions

Curiosità

Elephant tusks never stop growing! Really long tusks show a really old elephant.
