

### **Jackson, can you see?**

Even the rhinoceros Jackson can be deceived by appearances. When he first meets Oscar he too is terrified of the dinosaur. After the initial distrust, the two immediately become great friends. With this story children learn the value of friendship and train with coding activities.

#### **Subjects**

Technology  
Coding

#### **Social skills introduced**

Kindness  
Cooperation

#### **Further information**

With coding exercises kids must perform a series of instructions in sequence to achieve a goal, thus learning to deal with complex problems by breaking them down into several parts. The coding exercises for children are introductory to computer programming.

Suggested age

4-5 years

Difficulty of game

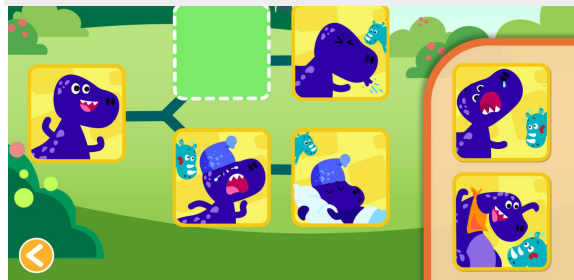

Learning objectives

- Logical reasoning
- Sorting / Branching
