

Queen Flo!

The ants in the woods are very hardworking and Flo is the queen of all. With this rhyming tale, kids need to collect and give new life to used objects and they also learn ensembles and logical associations to arrange and classify objects correctly.

Reading comprehension questions

1. What is the name of the queen ant?
2. In which room is the toothbrush used?
3. Do ants prefer working or sleeping?
4. What kind of animal are ants?

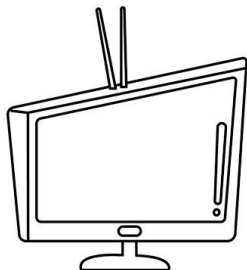

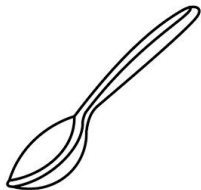

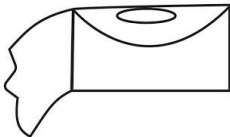

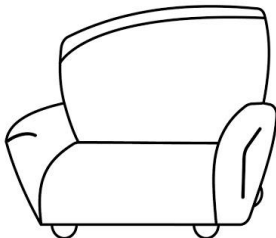

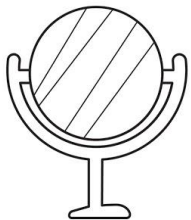

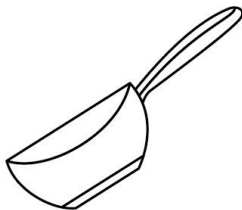

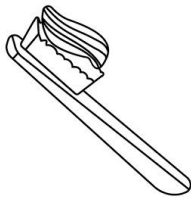

Ideas for activities

- Draw different objects according to their use on your notebook (e.g. draw 5 things you can eat, 5 things you use at school, 5 things you wear etc.)

WHERE IS IT?

Circle the objects used in the bathroom in red, the objects used in the living room in blue and the objects used in the kitchen in yellow.

ONLY COLOR...

Only color the musical instruments.
