

Manu's full of emotion!

It's Manu's birthday but he is sad because he has lost his favorite toy. His forest friends promptly throw a surprise party to lift his spirits. This mini-story teaches the recognition of the variety of emotions and to experience them all serenely. These interactive games are based on logical reasoning.

Proper nutrition
Emotions

Further information

During kindergarten it is not only important to learn the basic concepts of emotions but also to build an educational path to these, teaching kids to recognize their plurality, bringing them closer to understanding themselves and what they feel and to stimulate empathy towards others.

Suggested age

5 years

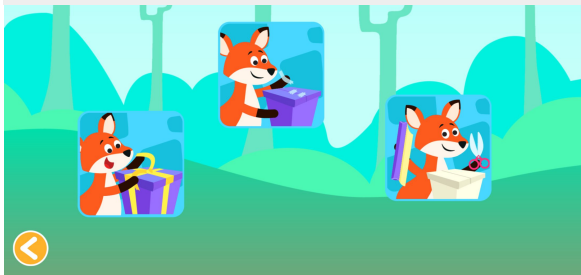

Difficulty of game

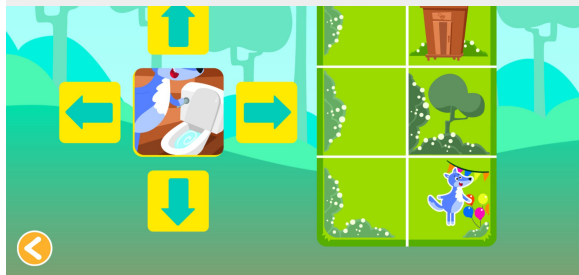

Learning objectives

- Ordering actions
- Sequences and easy sequences
- Logical reasoning

Prepare the party!
Touch the pictures in the right order
