Debra, you are perfect as you are!

Little zebra Debra is teased by her friends because of her striped coat. After a few awkward attempts to feel accepted at school, it is her friend Ray who explains to her that she is not different, but super! With a little more self-confidence, she comes up with a brilliant idea: build a super-armor. Thus begins the mini-saga of Miss Armor, champion of justice.

Subjects

Engineering (Visual-spatial intelligence)
Art

Social skills introduced

Self-esteem

Further information

Visual-spatial intelligence is a cognitive ability to be acquired and trained in pre-school age; identifying the spatial relationships between objects helps kids to interact more confidently in the world around them, relating properly to others and to other objects.

Suggested age

3 years

Difficulty of game

Learning objectives

- Fine motor skills

Trace Debra's stripes

Which color would you use?
Color the animals in any colors you like

Drag the elephant along the path and help him reach his friend
