Why am I scared?

The little lion cub Zaldo is terrified: he is afraid that monsters are hiding under his bed! In his bedroom, he makes the acquaintance of a new friend: the little dragon Peng, the protagonist of the collection of stories about emotions. He will be the one to explain to him that being afraid is normal and serves as protection from danger. The first episode of the rhyming stories focuses on fear.

Subjects

Engineering (Visual-spatial intelligence)

Social skills introduced

Emotions

Further information

Visual-spatial intelligence is a cognitive ability to be acquired and trained in pre-school age; identifying the spatial relationships between objects helps kids to interact more confidently in the world around them, relating properly to others and to other objects.

Suggested age

3-4 years

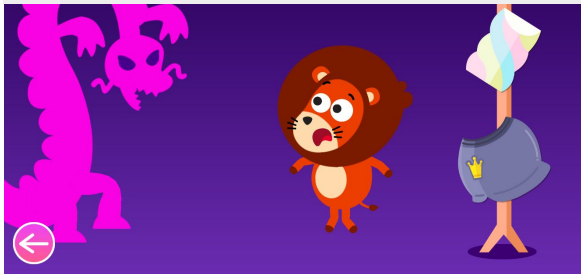

Difficulty of game

Learning objectives

- Logical associations

Help little Zaldo defend himself.
Drag the right object onto him

This dragon isn't that scary!
Dress him up as a firefighter

Zaldo needs something.
Touch the correct object
